Re: Modern Slavery and Human Trafficking Act 2015

WDS Components Limited is committed to driving out acts of modern day slavery and human trafficking within its business and that from within its supply chains, including sub-contractors, and partners. The Company acknowledges responsibility to the Modern Slavery Act 2015 and will ensure transparency within the organisation and with suppliers of goods and services to the organisation. The company will not support or deal with any business knowingly involved in slavery or human trafficking.

The company Directors and Senior Management shall take responsibility for implementing this policy statement and its objectives and shall provide adequate resources (training, etc) and investment to ensure that slavery and human trafficking is not taking place within the organisation and within its supply chains.

Formal procedures concerning slavery and human trafficking have been established, including disciplinary procedures where they are breached. Additional procedures ensure that this policy is understood and communicated to all levels of the company, and that it is regularly reviewed by the Directors to ensure its continuing suitability and relevance to the company activities.
